APPENDIX TO PART 10—EXEMPTIONS

Part I. General Exemptions

Those portions of the following systems of records that consist of (a) Information compiled for the purpose of identifying individual criminal offenders and alleged offenders and consisting only of identifying data and notations of arrests, the nature and disposition of criminal charges, sentencing, confinement, release, and parole and probation status; (b) information compiled for the purpose of a criminal investigation, including reports of informants and investigators, and associated with an identifiable individual; or (c) reports identifiable to an individual compiled at any stage of the process of enforcement of the criminal laws from arrest or indictment through release from su-

pervision, are exempt from all parts of 5 U.S.C. 552a except subsections (b) (Conditions of disclosure); (c) (1) and (2) (Accounting of certain disclosures); (e)(4) (A) through (F) (Publication of existence and character of system); (e)(6) (Ensure records are accurate, relevant, timely, and complete before disclosure to person other than an agency and other than pursuant to a Freedom of Information Act request), (7) (Restrict record-keeping on First Amendment rights), (9) (Rules of conduct), (10) (Safeguards), and (11) (Routine use publication); and (i) (Criminal penalties):

A. The Investigative Records System maintained by the Assistant Inspector General for Investigations, Office of the Inspector General, Office of the Secretary (DOT/OST 100).

B. Police Warrant Files and Central Files maintained by the Federal Aviation Administration (DOT/FAA 807).

C. Law Enforcement Information System, maintained by the Office of Law Enforcement and Defense Operations, U.S. Coast Guard (DOT/CG 613).

D. Investigations and Security Investigative Case Systems, maintained by the Investigations and Security Division, U.S. Coast Guard (DOT/CG 611).

E. The Investigative Records System maintained by the Federal Aviation Administration regarding criminal investigations conducted by offices of Investigations and Security at headquarters and FAA Regional and Center Security Divisions (DOT/FAA 815).

F. Joint Maritime Intelligence Element (JMIE) Support System, maintained by the Operations Systems, Center, US Coast Guard (DOT/CG 642).

These exemptions are justified for the following reasons:

1. From subsection (c)(3), because making available to a record subject the accounting of disclosures from records concerning him/her would reveal investigative interest by not only DOT but also the recipient agency, thereby permitting the record subject to take appropriate measures to impede the investigation, as by destroying evidence, intimidating potential witnesses, fleeing the area to avoid the thrust of the investigation, etc.

2. From subsections (d), (e)(4) (G) and (H), (f), and (g), because granting an individual access to investigative records, and granting him/her rights to amend/contest that information, interfere with the overall law enforcement process by revealing a pending sensitive investigation, possibly identify a confidential source, disclose information that would constitute an unwarranted invasion of another individual's personal privacy, reveal a sensitive investigative technique, or constitute a potential danger to the health or safety of law enforcement personnel.
